### A Sermon On Lumber

In conclusion my friends, we can't get away from this lumber question. Why, every one of us spent our first days in a cradle made of lumber.

Our lives have been lived between walls of two by fours and lath, with rafters over our heads, and matched flooring beneath our feet. We have been sitting in wooden chairs, eating from wooden tables, riding in wooden wagons, and in the course of time will be laid to rest in wooden caskets.

Lumber is King in the Construction World.

That's the kind of proof that backs Doan's Kidney Pills.

August Ackerman, retired farmer, 620 E. Fourth St., says: "I used Doan's Kidney Pills for backache and other kidney trouble and they soon rid me of the pains and aches. I believe they are the best kidney medicine to be had. It has been over three years now since I used Doan's Kidney Pills and my health has been splendid, not a symptom of kidney trouble bothering me."

ALMOST SIX YEARS LATER Mr. Ackerman said: "Kidney trouble which Doan's Kidney Pills cured me of, has shown no signs of returning. I certainly recommend them highly for having permanently rid me of the suffering I endured several years ago."
